The Board makes no representations or guarantees as to the initial or continued viability of such a Salary Reduction Agreement, and shall
incur no obligation to engage in any form of impact bargaining in the event that a change in law reduces or eliminates the tax-exempt status of employee insurance premium contributions. So long as the Board makes a good faith effort to comply with this paragraph, neither the Association nor any teacher covered by this Agreement shall make any claim or demand, nor maintain any action against the Board or any of its members or agents for taxes, penalties, interest or other cost or loss arising from a flaw or defect in the Salary Reduction Agreement, or from a change in law which may reduce or eliminate the employee tax benefits to be derived there from.

The Board shall pay the reasonable expenses (including fees, meals, lodging and transportation) incurred by teachers who attend workshops, seminars, conferences, or other professional improvement sessions including visits to other schools at the request of, or with the advance approval of, the Superintendent of Schools. The distribution of funds will be administered by the Superintendent's office. Teachers will be informed in writing of:

1. the reasons for disapproval of their request;

2. approval of their request and the amount approved, if any, within five (5) working days or thirty (30) days prior to the event; whichever date occurs later.
B. When such request for professional development is granted, the teacher who attends such workshop, seminar, conference, or other professional activity shall submit a report to his/her principal including information pertinent to said activity. Such information will be available on request.

ARTICLE V
SCHOOL CALENDAR

The calendar for the school year shall be determined each year by the Board of Education, subject to change by the Board if it deems such change to be necessary. The work year shall include 186 working days of which 181 days shall be student instruction days. The Board and the Superintendent will consider suggestions regarding the recommended calendar from the Association before the calendar is adopted by the Board.

ARTICLE VI
LEAVES OF ABSENCE. SICK LEAVE. OTHER LEAVE

A. Sick Leave.

Each teacher shall be entitled to sick leave, with full pay therefore, of fifteen (15) days per year. Unused sick leave shall be accumulated from year to year, so long as the teacher remains continuously in the employ of the Groton Board of Education, but such accumulation of sick leave shall not exceed one hundred sixty-five (165) school days, exclusive of the current year's sick leave entitlement.

B. Religious Observances, Bereavement, Family Illness, Legal Matters.

Each teacher shall be entitled annually to eight (8) days' leave with full pay for absences caused by a death or critical illness in his/her immediate family, by observances of religious holidays or by compulsory court appearance. The immediate family shall include a father, mother, brother, sister, husband, wife, child, grandparents, or in-law in the same degree of relationship with the teacher's current spouse, or a person resident in the household of the teacher.

C. Academic Leave.

With the advance approval of the Superintendent of Schools, a teacher may be entitled to leave, less an adjustment for the expense to the Board of hiring a substitute, in order to commence programs of study approved by the Superintendent in writing which necessitate the presence of such teacher in advance of the close of the school year, as established by the school calendar.
D. Fifth Disease.

Any pregnant teacher who is assigned to a work area where the presence of Fifth Disease or a condition which may reasonably constitute a danger to the fetus of a pregnant teacher, as determined by a mutually agreed upon physician, has been identified shall, at her request, be transferred to an alternate assignment, which shall be determined by the Superintendent. Such alternate assignment shall continue until the presence of the disease no longer poses a threat, or until the teacher is determined to be immune to the disease. Testing for immunity will be conducted as soon as possible, at Board expense. All bargaining unit members will cooperate with any transfers that are temporarily made necessary by this section, within their areas of certification and experience. If the pregnant teacher refuses a transfer she may use her sick leave, subject to the above sick leave limitations.

E. Other Leave.

1. A teacher shall also be entitled to leave with full pay for any one or more of the following reasons:

   a. personal reasons of an emergency nature - two (2) days per year, non-accumulative.
   b. the teacher's own marriage during the school year - three (3) days.

2. A teacher may be entitled, with the prior approval of the Superintendent, to leave with full pay for any one or more of the following reasons:

   a. attendance at a professional improvement session as specified in Article IV hereof or for the duration of his/her service on curriculum committees (normally two (2) days);
   b. an extension of personal leave of not more than three (3) days, non-accumulative, may be granted if, in the opinion of the Superintendent, the emergency warrants such extension; but in such event an adjustment for the expense to the Board of hiring a substitute shall be made.

3. Unless under extreme circumstances, all "Other Leave" will be granted only after a twenty-four (24) hour notice. Approval of any "Other Leave" is necessary when requested immediately previous to or immediately following a vacation period.

F. Extended Leave.

When a teacher has exhausted the leave entitlement hereinbefore specified, such leave, less an adjustment for the expense to the Board of hiring a substitute, shall be extended as follows:
1. Sick leave - fifteen (15) days plus ten (10) days for each full year of employment by the Board prior to the effective date hereof (maximum allowance ninety (90) days.)

2. Religious, Bereavement, Family Illness - five (5) days.

G. Regular Attendance.

Notwithstanding the foregoing leave provisions, failure by an employee to reasonably and reliably attend to his/her duties through regular and punctual attendance may result in loss of pay and/or disciplinary action up to and including dismissal. Absence for any reason for five (5) or more days during the school year may result in a non-disciplinary meeting with the school principal. Eight (8) days of absence for any reason during the school year may result in a meeting with the Superintendent of Schools or his/her designee. The Superintendent or his/her Central Office designee will schedule a meeting with the teacher within two (2) weeks, to discuss the teacher’s attendance.

H. Salary Adjustment for Other Absences.

If an absence beyond authorized leave is approved in advance by the Superintendent, a salary deduction of 1/186 of the annual salary of a teacher shall be made for each day of absence exceeding the allotment as hereinbefore set forth.

I. Other Leaves of Absence.

The Superintendent may grant leaves of absence, without pay, for good and sufficient reasons such as:

1. military service;
2. health;
3. maternity;
4. travel;
5. professional pursuits;
6. Peace Corps or Vista.

J. Maternity Leave.

Maternity leave will be granted female teachers at their request. Such request shall stipulate the dates of commencement and expected duration of said leave. Such leave shall terminate upon the teacher's return to work or no later than six (6) weeks following delivery. Extension of such leave shall be granted for disabilities because of pregnancy or conditions attendant thereto upon certification by the teacher's attending physician. Current and accrued sick leave shall be available for the duration of such leave including extension. After exhaustion of available sick leave and any available extended sick leave, an unpaid leave of absence shall be available for the remainder of any pregnancy related disability.
K. **Long-Term Unpaid Leave.**

Applications for all other leave shall be made to the Superintendent, in writing, and shall be limited to one (1) year or less. Requests for extension of such leave beyond the school year in which such leave is to be granted must be received by the Superintendent not later than ninety (90) days prior to commencement of the school year to which such extension applies. The commencement of such leave, except in an emergency, shall be contingent upon the availability of a substitute. The granting of leave shall specify, in writing, all conditions thereof including, if applicable, resumption of former duties or assignments to new duties.

No teacher shall be denied step advancement on the salary schedule solely by reason of leave, except for an unpaid leave, which exceeds ninety (90) workdays of a school year.

Election to have group health, life and/or major medical insurance continued in force for the duration of such leave shall be allowed on the then-current basis provided arrangements for payment of the full premium therefore is made by the teacher concerned in advance of the date of leave.

A teacher who is on a leave of absence shall inform the Superintendent of Schools in writing, on or before February 1, of his/her intention to return to the Groton Public Schools the following school year. However, if a leave is granted after February 1 and is limited to the remainder of the current school year, notification of his/her intention to return shall be given on or before the last day of school.

L. **Sabbatical Leave.**

1. The Board may grant sabbatical leaves to two percent (2%) of the teachers who qualify therefore. Should such two percent (2%) be fewer than five (5) employees, the Board may grant sabbatical leave to five (5) teachers who qualify therefore. An applicant shall have had seven (7) or more years of prior employment with the Board, and shall be seeking such leave solely for educationally related research, writing and/or publishing, advanced study, travel, or the like. A written request therefore shall be submitted to the Board and copies thereof delivered to the Superintendent and immediate supervisor or principal of such employee. The Superintendent shall promptly certify to the Board the eligibility of such teacher for such leave and shall state his/her opinion whether the proposed leave would be of benefit to the school system and to the effectiveness of such employee.

All applications for sabbatical leave must be received by the principal with copies to the Superintendent and the Chairman of the Board prior to January 1. The Board will take action on sabbatical leave requests and notify the applicant prior to February 1. At this time a list of alternates in the order of priority shall be sent to each alternate. Successful applicants will notify the Board by February 15 of their acceptance or rejection of the sabbatical leave.
Should a position for an alternative sabbatical applicant become available, such applicant shall be notified by February 20. If the sabbatical leave is not granted during the first year of application and the applicant desires to be reconsidered the ensuing year, reapplication must be made within the time limit cited above.

Sabbatical leave may be granted for all or part of a school year. The salary of such teacher, for the duration of such leave, shall be seventy-five percent (75%) of his/her salary as established pursuant to this Agreement; provided, however, that the sum of such salary and any grants to such employee (other than amounts that defray out-of-pocket costs) shall not exceed one hundred percent (100%) of the salary established for such employee pursuant to this Agreement. The employee on sabbatical shall be responsible for his/her own tuition costs.

2. A teacher on sabbatical shall be entitled to all the benefits, rights, and privileges enjoyed by a teacher hereunder except as hereinbefore expressly provided.

3. Upon return from sabbatical leave, the employee shall submit a complete report of his/her sabbatical studies to the Superintendent of Schools, and shall present an oral or written report, at the option of the employee, to staff, Board or administration if directed to do so by the Superintendent.

4. As a further condition of receiving sabbatical benefits, the successful candidate shall execute a promissory note payable to the Board of Education in an amount equal to the benefits paid during sabbatical, which shall be discharged either by cash repayment to the Board or by returning to the Groton School System for a period of two years. Fifty percent of said promissory note shall be discharged after one year of return with the remainder discharged after completion of two years of service following sabbatical leave. No repayment shall be required if the employee's contract of employment is involuntarily terminated by the Board or if the employee's return is prevented by death or disability.

M. Jury Duty.

In the event of jury duty, a teacher shall be paid his/her full salary reduced by the amount of any jury fee.

N. FMLA Leave

Any leave of absence taken under this Agreement, whether paid or unpaid, which would qualify as a basis for leave under the FMLA, shall be counted toward eligibility for FMLA leave. This shall not apply to absences due to illness, which are not part of an extended leave of absence, of up to 15 days per year.
ARTICLE VII
PROTECTION FOR PROFESSIONAL EMPLOYEES

A. The Board will protect and save harmless any teacher from any financial loss and expense, including legal fees and costs, arising out of any claim, demand, suit or judgment as provided by the General Statutes of the State of Connecticut, Section 10-235, as amended from time to time.

B. If criminal proceedings are brought against a teacher in respect of any act or failure to act arising out of, or in the course of, his/her employment as such teacher, then such teacher may request the Board to furnish legal counsel of the Board's choice to defend him/her. If the Board shall elect not to provide such counsel, and thereafter the proceedings instituted against such teacher shall not be prosecuted to a finding of guilty to the original or any lesser charge, then the Board shall reimburse such teacher for all reasonable costs and expenses, including a reasonable attorney's fee, incurred by him/her in such proceedings. In no case shall the Board be obligated to reimburse any teacher for costs, expenses or attorney's fees if such case is disposed of by way of accelerated rehabilitation or any other rehabilitative or probationary program.

ARTICLE VIII
PERSONAL INJURY BENEFITS

Whenever any teacher shall be entitled to receive any benefits pursuant to the provisions of Chapter 566 of the Connecticut General Statutes (Workers' Compensation Act), he/she shall be paid, in addition to the benefits aforesaid, his/her full salary, reduced by the amount of any weekly compensation received by him/her pursuant to the provisions of said Act; provided, however, that the entitlement hereunder to full salary shall not exceed ninety (90) days, and no part of such absence shall be charged to his/her annual or accumulated sick leave, as otherwise established hereunder.

ARTICLE IX
CLASS SIZE

A. The Board and the Association agree that the number of students assigned to each teacher is an important aspect of quality instruction. Therefore, the following maximum number of students per teacher is established:

<table>
<thead>
<tr>

</tr>
</thead>
<tbody>
<tr>
<td>K</td>
<td>23</td>

The above numbers shall not apply where doing so would directly conflict with the Board’s obligations under the No Child Left Behind Act.

B. Whenever the number of students in the self-contained classroom exceeds by five (5) the established maximum, the Board will supply a teacher aide for such class or reassign and/or transfer students as necessary.

C. In no case will the number of students exceed the number of student stations available in special areas such as fine arts and industrial arts, for example.

D. Upon mainstreaming a special education student from a special class, a conference shall occur as soon as practicable with both the teacher(s), including one (1) specialist, receiving the mainstreamed student and the teacher(s) sending the mainstreamed student in order to review the minutes of the PPT meeting, the child's specific needs and problems, and to instruct the receiving teacher(s) on special techniques and/or methods to be performed with the student. Every effort will be made to include the receiving teacher(s) in the PPT process.

E. Special education students who are mainstreamed in a regular education classroom as a result of their IEP shall be included in the regular education classroom count for purposes of the class size numbers in (A) above, provided they are in the regular education class fifty (50%) percent or more of the time as are the regular education students.

ARTICLE X

previous to lunch, are also not designated as instructional. Physical education periods, and other assemblies which are assigned for instructional purposes, are to be supervised by teachers, however.

B. To the extent that bus and/or disciplinary duties are required at any middle school, where teacher aides are not presently available, or other method for relieving teachers of such bus or disciplinary duties has not been established, a supervisory administrative person shall be available at all times when a teacher shall be performing such bus or disciplinary duties.

B. (6) Substitutes should be hired to cover music classes for the MEGA chorus Concert rehearsals when the music teacher is out of the building. If substitutes are not available for any of these times, music classes will be cancelled – without make-ups.

A. Teachers shall be notified in writing of their programs for the coming school year, including the schools to which they will be assigned, the levels and/or subjects and all supplementary assignments in Appendix "C" that they will have, as soon as practicable, and under normal circumstances, no later than July 1.

B. In order to assure that pupils are taught by teachers working within their areas of competence, teachers shall not be assigned, except temporarily and for good cause, outside the scope of their teaching certificates and/or their major or minor fields of study.

C. In arranging schedules for teachers who are assigned to more than one (1) school, an effort shall be made to limit the amount of interschool travel. Such teachers shall be notified of any changes in their schedule as soon as practicable. Teachers assigned to more than one (1) school in anyone (1) school day or who are required to use their own automobiles in the normal performance of their professional duties shall receive the published IRS rate per mile for actual mileage. The provisions of this paragraph shall not be construed to include payment for mileage driven by a teacher between his/her residence and place of employment.

D. Assignments of teachers shall be made without regard to race, creed, nationality, sex, or marital status.

E. In the determination of assignments, the convenience and wishes of the teacher shall be honored to the extent that these considerations do not conflict with the instructional requirements and best interests of the school system and the pupils.
ARTICLE XIV
TRANSFERS

Although the Board and the Association recognize that some transfers of teachers from one school to another are desirable and/or unavoidable, they also recognize that frequent transfer of teachers may be disruptive of the educational process and interferes with optimum teacher performance. Therefore, they agree as follows:

A. To the extent feasible, when transfers are required, volunteers will be considered first.

B. A file of transfer requests will be compiled by the administration each year. Teachers requesting a transfer will submit or reactivate their request for said transfer by May 1 of each year.

C. The internal posting of vacancies shall occur at least three (3) full business days prior to posting for applicants from outside the school district.

D. When involuntary transfers become necessary, length of service in the system shall be one of the factors taken into consideration.

E. In the determination of transfers, the convenience and wishes of the individual teacher shall be honored to the extent that they agree with the needs and best interests of the school system and the pupils. When a teacher objects to a transfer, the teacher may request a meeting with the Superintendent. In the event that the teacher objects to the transfer at this meeting, the teacher may notify the Association, and the Superintendent will meet with the Association's representatives to discuss the transfer.

F. The fact that a teacher was transferred involuntarily shall be considered in any requested transfer for future vacancies.

G. Written notice of transfer shall be given to the teacher as soon as possible.

H. When a building closing occurs, the Association in conjunction with the appropriate school district representative, will formulate an equitable transfer process.

ARTICLE XV
PROMOTIONS

A. All openings for positions in the directors', principals' and supervisors' unit, positions paying a salary differential and/or special positions (including new positions authorized with state or federal funds) shall be posted on the school district website as far in advance of the appointment as possible and ordinarily at least thirty (30) days in advance.

B. All qualified certified personnel shall be given adequate opportunity to make application for such positions. Appointments shall be made without regard to race, creed, nationality,
sex or marital status. The Board and the Association shall comply with all valid present and future legislation regarding non-discrimination requirements.

ARTICLE XVI
SPECIAL SCHOOL PROGRAMS

These provisions apply to such programs as summer school, night school and homebound:

A. Positions in these programs shall be filled first by teachers regularly employed in the school system.

B. In filling such positions, consideration shall be given to a teacher's area of competence, major and/or minor field of study, quality of teaching performance, attendance record, length of service in the system, and prior experience in these programs, if any.

C. All openings for these positions shall be listed as soon as possible so that interested teachers may apply.

ARTICLE XVII
FACILITIES FOR TEACHERS

A. To the extent necessary and feasible, and as budget considerations permit, each building will be provided with:

1. space allocated to each teacher for safe storage of instructional materials and supplies;

2. a teacher work area containing adequate equipment and supplies for the preparation of instructional materials;

3. an appropriately furnished room to serve as a faculty lounge. Where possible this will be a separate facility;

4. an intercommunication system.

B. Adequate equipment and supplies shall be furnished to each school on an equitable basis.

C. The Board agrees to provide adequate teaching space, facilities and equipment where these are inadequate with all possible dispatch.

ARTICLE XVIII
CONTINUING CURRICULUM DEVELOPMENT

A. It is anticipated that curriculum meetings will be conducted on a year-round basis as presently in effect.
B. As need exists and as funds are available, opportunity for extended summer employment will be afforded to those teachers designated by the Superintendent for the purpose of culminating such activities as would take place during the school year.

C. Supplementary pay during the summer months may be afforded teachers in the following areas:

1. curriculum development;
2. curriculum revision;
3. problems research;
4. in-service teaching;
5. textbook study and selection.

D. Summer employment in the areas listed in Section C above, will first be offered to members of related committees who have worked on the topics during the school year. If committee members are not available or if additional personnel are needed, other members of the professional staff may apply for the summer work. Applications for the above shall be made to the office of the Superintendent of Schools. To be eligible, an applicant must:

1. be recommended by his/her principal, or supervisor if the applicant is not assigned to a particular school;
2. be certified in the area to be studied.

Approval of such application shall not be unreasonably withheld. If such an application is denied, the teacher shall, upon request, receive written explanation therefore from the Superintendent or his/her designee.

E. In view of the professional nature of the services to be rendered under this program, the compensation shall be in accordance with Appendix C.

F. Nothing contained herein shall prohibit the Superintendent from retaining consultants from outside the system.

ARTICLE XIX
GENERAL PROVISIONS

A. Teachers shall have the opportunity to review and discuss any evaluation summaries and reports originated within the system prior to the placement of such summaries and reports in their personnel files.

B. Questions of Ethical Conduct.

The Board and the Association agree that questions considered by the Board to involve matters of professional ethics may be referred to the Association for study and
interpretation through the Association's Professional Rights and Responsibilities Committee or the chairperson of such other Association committee established to administer the grievance procedure.

C. The Board will continue to provide each teacher with a policy manual, including any revisions and amendments, and a complete copy of this Agreement within thirty (30) days after approval.

D. When it is necessary for official representatives of the Association to engage in Association activities directly related to any negotiations, mediation or arbitration procedures with the Board, or in their capacity as representatives of the teachers or Association, they shall be given such free time without loss of pay as is necessary to perform such activities.

E. If any portion of this Agreement is ruled invalid for any reason by legislative action or by a Court of competent jurisdiction, the remainder of the Agreement shall remain in full force and effect.

F. The Association, as the duly elected representative of the teachers, shall have the non-exclusive use of teachers' mailboxes in the individual school buildings.

G. To achieve rapport between the Board and the Association, quarterly informal meetings shall be held between representatives of the Board, the administration and the Association. Such meetings shall not deal with issues of collective bargaining or grievance adjustment.

ARTICLE XX
SUBSTITUTE PROFESSIONAL EMPLOYEES

The Board will make every effort to provide well-qualified substitute teachers who are certified either as substitute or regular teachers. The Board of Education shall have the right to determine wages, hours and conditions of employment for substitutes, temporary and permanent.

ARTICLE XXI
RELATIONSHIP TO STATE STATUTES

In case of conflict between the provisions of the Agreement and the Connecticut General Statutes, the statutes shall govern, unless it is permissible for the Board to make other provisions, in which case this Agreement shall govern.
ARTICLE XXII
PROFESSIONAL ASSOCIATION DEDUCTIONS

A. Condition of Continued Employment.

All teachers employed by the Groton Board of Education shall, as a condition of continued employment, either join the Association or pay a service fee to the Association. Said service fee shall be equal to the proportion of Association dues uniformly required of members to underwrite the costs of collective bargaining, contract administration and grievance adjustment.

B. Members.

All teachers who elect to join the Association shall sign and deliver to the Association, if they have not already done so, an authorization for the payroll deduction of membership dues of the GEA, the CEA and the NEA. Said authorization shall continue in effect from year to year unless such teacher shall notify the Board of Education and the Association in writing in the month of August of any year. If said notice is timely delivered, it shall mean that in the coming school year said teacher shall pay the service fee as described in paragraph A. above, and paid in accordance with paragraph C. below.

C. Non-members.

For those teachers who have not joined the Association and have not delivered said authorization card by November 1 of the first year of this contract, the Board of Education agrees to deduct the annual service fee from their salaries through payroll deduction. The amount of said service fee, and the local, state, and national membership dues, shall be certified by the Association to the Board one month prior to the opening of school each year.

D. Subsequent Employment.

Those teachers commencing employment after the date of execution of this contract shall, within thirty (30) days of such commencement, sign and deliver to the Board of Education an authorization card as described in paragraph B. of this Article or fall under the provision of paragraph C. of this Article after such thirty (30) day period.

E. Hold Harmless.

The Association agrees to indemnify and hold the Board harmless from any claim, loss, demand or expense arising from this Article, including court costs and reasonable attorney's fees.
ARTICLE XXIII
GRIEVANCE PROCEDURE

A. Purpose.

The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to problems, which may arise from employment affecting the welfare or working conditions of teachers. Both parties agree that proceedings shall be kept as confidential as is appropriate.

B. Definitions

1. "Grievance" shall mean a claim by a teacher or a group of teachers that he/she or they have been affected by (i) a violation, misinterpretation or misapplication of a provision of this Agreement; or (ii) of the rules, regulations, administrative directives or policies of the Board of Education as they affect conditions of employment; provided, however, grievances alleging a violation, misinterpretation or misapplication of the rules, regulations, administrative directives or policies of the Board of Education shall not be processed beyond Level Three, i.e., may not be submitted to arbitration.

2. "Teacher" shall mean any certified teacher below the rank of assistant principal, and may include a group of teachers similarly affected by a grievance.

3. "Party in interest" shall mean the person or persons making the claim, including their designated representative as provided for herein, and any person or persons who might be required to take action or against whom action might be taken in order to resolve the problem.

4. "Days" shall mean working school days except as specifically noted otherwise. During the summer recess, "days" shall mean Monday through Friday, and shall exclude weekends and holidays, unless specifically noted otherwise, but reasonable extensions of time shall be granted during the summer months to allow for the unavailability of key witnesses or participants.

C. Structure.

1. The Association shall designate an Association school representative for each school.

2. The Association shall maintain a Professional Rights and Responsibilities Committee (hereinafter referred to as "PR&R Committee").
D. **Time Limits.**

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each step shall be considered as a maximum. The time limits specified may, however, be extended by written agreement of the Board and the Association.

2. If a teacher does not file a grievance in writing within thirty (30) days after he/she knew of the act or conditions on which the grievance is based, then the grievance shall be considered as waived.

3. Failure by any administrator or by the Board to respond to a grievance within the time limits for such response set forth elsewhere in this article shall automatically entitle the grievant, or the Association PR&R Committee, as the case may be, to refer the grievance to the next higher level in the grievance procedure.

E. **Informal Procedure.**

1. If a teacher feels that he/she may have a grievance, he/she may first discuss the matter with his/her principal or other appropriate administrator in an effort to resolve the problem informally.

2. If the teacher is not satisfied with such disposition of the matter, he/she shall have the right to have the Association school representative assist him/her in further efforts to resolve the problem informally with the principal or other appropriate administrator.

F. **Formal Procedure.**

1. **Level One - School Principal.**

   (a) If a grievant is not satisfied with the outcome of informal procedures, or if he/she has elected not to utilize them, he/she may present his/her claim as a formal grievance in writing to his/her principal or other appropriate administrator.

   (b) The principal shall, within five (5) days after receipt of the written grievance, render his/her decision and the reasons therefore in writing to the grievant, with a copy to the chairman of the Association's PR&R Committee.

2. **Level Two - Superintendent of Schools.**

   (a) If the grievant is not satisfied with the disposition of his/her grievance at Level One, he/she may, within three (3) days after his/her formal presentation, file his/her written grievance with the Association's PR&R Committee for referral to the Superintendent of Schools.
(b) The PR&R Committee shall, within five (5) days after receipt, refer the grievance to the Superintendent, but prior to so doing, the PR&R Committee shall provide an opportunity for the grievant to meet with the PR&R Committee to review the grievance and to determine appropriate documentation.

(c) The Superintendent shall, within ten (10) days after receipt of the referral, meet with the grievant and with representatives of the PR&R Committee for the purpose of resolving the grievance.

(d) The Superintendent shall, within three (3) days after the hearing, render his/her decision and the reasons therefore in writing to the grievant, with a copy to the PR&R committee.

3. **Level Three - Board of Education.**

   (a) If the grievant is not satisfied with the disposition of his/her grievance at Level Two, he/she may, within three (3) days after the decision or within six (6) days after the hearing, file the grievance again with the Association's PR&R Committee for appeal to the Board of Education.

   (b) The PR&R Committee shall, within three (3) days after receipt, refer the appeal to the Board of Education.

   (c) The Board of Education, or a committee thereof, shall, within ten (10) days after receipt of the appeal, meet with the grievant and with representatives of the PR&R Committee for the purpose of reviewing the grievance.

   (d) The Board shall, within five (5) days after such meeting, render its decision and the reasons therefore in writing to the grievant, with a copy to the PR&R Committee.

4. **Level Four - Impartial Arbitration.**

   (a) If the grievant is not satisfied with the disposition of the grievance at Level Three, he/she may, within three (3) days after the decision or within eight (8) days after the Board meeting, request in writing to the President of the Association that his/her grievance be submitted to arbitration.

   (b) The Association shall, within five (5) days after receipt of such request, if the PR&R Committee formally determines that the grievance is meritorious and recommends such action, submit the grievance to arbitration by so notifying the Board in writing.

   (c) The Chairman of the Board and the President of the Association or their designees, shall, within five (5) days after such written notice, jointly select a single arbitrator who is an experienced and impartial person of recognized
competence. If the parties are unable to agree upon an arbitrator within five (5) days, the American Arbitration Association shall immediately be called upon to select one.

(d) The arbitrator selected shall confer promptly with representatives of the Board and the PR&R Committee, shall review the results of prior hearings and shall hold such further hearings with the grievant and other parties in interest, as he/she shall deem requisite.

(e) The arbitrator shall, within thirty (30) days following the close of the arbitration hearing render his/her decision in writing to all parties in interest, setting forth his/her findings of fact, reasoning and conclusions on the issues submitted. The decision of the arbitrator shall be final and binding.

(f) The costs for the services of the arbitrator shall be borne equally by the Association and the Board.

G. Rights of Teachers to Representation.

1. No reprisals of any kind shall be taken by either party or by any member of the administration against any participant in the grievance procedure by reason of such participation.

2. Any party in interest may be represented at Levels Two and Three of the formal grievance procedure by a person of his/her own choosing, except that he/she may not be represented by a representative or by an officer of any teacher organization other than the Association. When a teacher is not represented by the Association, the Association shall have the right to be present and state its views at all stages of the procedure.

3. The Association may, if it so desires, call upon the professional services of the Connecticut Education Association for consultation and assistance at any stage of the procedure.

H. Miscellaneous.

1. All documents, communications and records dealing with processing of a grievance shall be filed separately from the personnel files of the participants.

2. Forms for filing and processing grievances, and other necessary documents, shall be prepared by the Superintendent, with the approval of the Association, and made available through the Association school representatives and the PR&R Committee so as to facilitate operation of the grievance procedure.

3. If a grievance arises from action or interaction on the part of a member of the administration at a level above the principal or immediate supervisor, the grievant
shall submit such grievance in writing to the Superintendent and the PR&R Committee directly, and the processing of such grievance will be commenced at Level Two.

ARTICLE XXIV
JUST CAUSE

No teachers shall be disciplined, reprimanded in writing, reduced in compensation or suspended without pay without just cause. This provision applies to written reprimands, suspensions without pay, or other disciplinary actions which results in a loss of pay or a disciplinary notice being placed in a teacher's file.

ARTICLE XXV
PERSONNEL FILES

No disciplinary materials shall be placed in a teacher's personnel file unless it has first been shown to and discussed with the teacher by the immediate supervisor. The teacher shall initial and date the actual copy to be filed. The initials shall signify merely that the teacher has examined the material. The teacher may submit a written notation regarding any material placed in his/her personnel file, and the same shall be attached to the file copy of the materials in question.

ARTICLE XXVI
POWERS AND DUTIES OF THE BOARD OF EDUCATION

The duties and responsibilities of the Board shall be as ordained by the General Statutes of the State of Connecticut and all lawful regulations made pursuant thereto, and nothing in this Agreement shall be construed to detract from such mandated duties and responsibilities of said Board of Education.

ARTICLE XXVII
SEPARATION AND RECALL

Layoff Procedure.

A. Layoff and recall shall be dealt with in accordance with Section 10-151 of the Connecticut General Statutes. The Association shall be notified of the need for staff reduction. Initial determination of staff members who are to be released, except in unusual circumstances, shall be in the following order:

1. volunteer retirements, transfers and terminations;
2. non-certified, non-tenured teachers;
3. certified, non-tenured teachers;
4. certified, tenured teachers.
B. Within the categories established, the Board shall consider the following criteria in determining staff to be laid off. These criteria are not necessarily listed in order of importance:

1. academic degree status and certification;
2. skill and ability as determined through written evaluations;
3. total experience in the position in the Groton School System;
4. total contractual teaching experience in the Groton School System;
5. recommendations of principals and administrative staff;
6. total teaching experience in any school system;
7. additional course credits

C. Certification shall be considered to mean that area of certification in which the teacher is actively employed. Although the Board will give consideration to certification of any kind, it is understood that certification in an area which has not been utilized for four (4) or more years will not have the same weight as active certification.

D. Within these criteria and when one or more positions must be eliminated with a consequent reduction in staff, when in the judgment of the Superintendent staff members under consideration for layoffs have similar skill and ability, then in that event the least senior teacher shall be laid off. Proceedings with regard to contract termination will be in accordance with the provisions set forth in Section 10-151 of the Connecticut General Statutes, as amended.

E. Seniority will be determined by using total years of certified service in the Groton Public Schools, regardless of whether such service is continuous or interrupted. A seniority list will be developed and agreed to by both parties.

Recall Procedure.

A. If the contract of employment of a teacher is terminated because of elimination of position, the name of that teacher shall be placed on a reappointment list and remain on such list for a period of fifteen (15) months. Recall will be based on a reversal of the contract termination procedure.

B. In determining whether a teacher is qualified for reappointment, the Board of Education shall consider the categories in 1 through 4 above and the criteria enumerated in 1 through 7 above. The above-mentioned categories need not be considered in order and the importance of the criteria is not necessarily implied by their order of enumeration.

C. If during the fifteen (15) month period indicated, a position becomes open, former teachers selected for reappointment will be notified in writing by registered mail, sent to their last known address at least thirty (30) calendar days prior to the anticipated date of reemployment where possible. The former teacher shall accept or reject the appointment in writing within seven (7) calendar days after receipt of such notification. If the
appointment is accepted, the former teacher shall receive a written contract within twenty (20) calendar days of the former teacher's reply by the Board of Education. If the former teacher rejects the appointment offer or does not respond according to this procedure within seven (7) calendar days after receipt of such notification, the name of the former teacher will be removed from the recall list.

ARTICLE XXVIII
SEVERANCE

A. The Board of Education will award teachers who have served in the Groton School System for a minimum of fifteen (15) years and who have applied for retirement through Connecticut State Teachers' Retirement Board a sum equivalent to 1/186 of the final year's teaching salary for each year of service up to a maximum of thirty-five years.

For teachers hired after September 1, 2013 who have served in the Groton School System for a minimum of fifteen (15) years and who have applied for retirement through Connecticut State Teachers' Retirement Board, the Board of Education will award a sum equivalent to 1/372 of the final year's teaching salary for each year of service up to a maximum of thirty-five years.

B. The Board shall establish a supplemental retirement benefit fund, to be known as the Prime Plan. All severance payments will be contributed into this fund. It is intended that the Prime Plan not be subjected to FICA taxes and that these benefits are to be tax deferred for both Federal and State income tax until the retiree withdraws them from the plan; provided, however, the Board makes no representation or warranty regarding the tax consequences of the Prime Plan. Within thirty (30) days of receiving written notice of an employee's intent to retire, the Board shall determine the form which the retiring employee will receive the supplemental benefit. The Board will consider several established factors including the retiring employee's access to other health insurance coverage when determining the form of payment to the employee (who will be notified within the 30-day timeframe). This determination will be achieved through an exit interview.

Forms of Payment --

Retiring employees who are eligible to receive a supplemental benefit will be paid the benefit in one of the following forms:

1. The Board shall make a contribution to a trust known as the Prime Trust for the benefit of the employee to pay for health insurance premiums and un-reimbursed medical expenses as specified under Internal Revenue Code Section 213. This benefit will continue until fully exhausted by the retiree or the qualified dependent beneficiaries; or

2. The Board shall make a contribution to a 401(a) and/or 403(b) qualified deferred compensation plan in the amount of the benefit; or
3. The retiree may notify the Board that he/she wants to withdraw all of the supplemental benefit, at which time a tax penalty will apply.

ARTICLE XXIX
DURATION

This Agreement shall fix for its term the wages, hours and working conditions of teachers and shall be effective as of September 1, 2013. This Agreement shall continue and remain in full force and effect to and including August 31, 2016.

IN WITNESS WHEREOF the Groton Board of Education and the Groton Education Association have hereunto set their hands this ___ day of October, 2012 at Groton, Connecticut.

Mentors

Teachers who serve as mentors to teachers who are new to the District and who are involved in the TEAM Program will be compensated at the State of Connecticut rate (currently...
$500 per year for two years). If a need arises for a mentor to be replaced the stipend will be prorated accordingly. Payment will be at the end of the school year. Additionally, the new mentor system requires module reviewers and each district provides staff members to perform reviews of TEAM modules. The Association and the Board agree to compensate the reviewers at a rate of $35 per paper reviewed.

**National Board Certification**

Teachers holding National Board for Professional Teaching Standards Certification shall receive an annual stipend of $1,000, prorated and payable bi-weekly. In addition, the Board shall reimburse 50% of that portion of the National Board for Professional Teaching Standards Certification application fee for which no reimbursement is available from any other source. Upon failure of the teacher to complete the National Board Certification program, any payment made by the Board toward the application fee shall be returned to the Board by way of payroll withholding. No teacher shall be eligible for reimbursement of any portion of the application fee more than one time during his/her employment by the Board, irrespective of whether or not the application fee is returned to the Board.
